Cynthia I can't believe next year we will be Juniors. You're a great friend and I glad we got alot closer this year. You've helped me through some hard times with Ricky and Wayne. I hope you feel you can talk to me when you're down. Thanks for everything you've done for me. I'm so happy for you and Clay I hope you get the happiness you want and deserve. We've had alot of fun times together during b-ball season I hope we can have many more but if you tell Coach Mac my fingernails are long again you're dead I will definetly pull your slip down. Maybe this summer we can have a drag race. Remember I'm always here if you need me.

Pioneer Christian Academy

Volume 13 — May 1984

The dedication of the 1984 Montage is to a lady who has devoted many years of her life to Pioneer Christian Academy. She has been a fulltime staff member since October, 1977, in the accounting department and has done an outstanding job in this area.

In the early years of the school, she gave of her time and talents in the school office and has been a faithful and loyal supporter of Christian education through the years. Two of her children are Pioneer graduates and are students at Bob Jones University. One will graduate this year from Pioneer and will be attending Bob Jones next year.

Her hobby is: reading.

Her life's verse is Joshua 1:8, 9.

"This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein; for then thou shalt make thy way prosperous, and then thou shalt have good success.

Have not I commanded thee? Be strong and of good courage; be not afraid, neither be thou dismayed; for the Lord thy God is with thee whithersoever thou goest."

Her willing spirit, loyal service, proficient abilities and exemplary Christian life have been an asset and blessing to students, faculty, and àdministration. To Mrs. Joan Rigsby, we honor her labor of love and to her we dedicate the 1984 Montage.

Kindergarten, Elementary, Junior High, and High School

May, 1984

Dear Students:

I hope you will accept this letter as a personal one even though it is to be printed in the MONTAGE. How we praise the Lord for His manifold blessing upon Pioneer Christian Academy over the past fifteen years. The attitude of the student body this year has been the best in the school's history, and we are pleased with the results of our new Biblical Leadership class in helping to set a spiritual fervor among their fellow classmates.

Your parents have made it possible for you to attend Pioneer because they want you to receive academically, spiritually, and morally what it has to offer. We hope you will show to them your gratitude for allowing you the opportunity of a Christian education. Also, before leaving for the summer, we also encourage you to thank the faculty and staff for their tireless efforts and personal interest with you this year.

To the seniors, we pray God's richest blessings on you as you faithfully serve Him. It is our prayer that you will attend a Christian college where the principles, standards, and academic excellence are in keeping with what you have received here at Pioneer. Be very careful in choosing your friends, and don't allow the devil an opportunity to destroy your effectiveness for Jesus Christ.

It is hard to believe that next year will begin our sixteenth school term, and we look forward to having you back with us again. We pledge to you and your parents a continued education that does not deviate from the Scriptures and that prepares you, not only for time, but for eternity.

Sincerely yours,

J. Frank Bruce
President

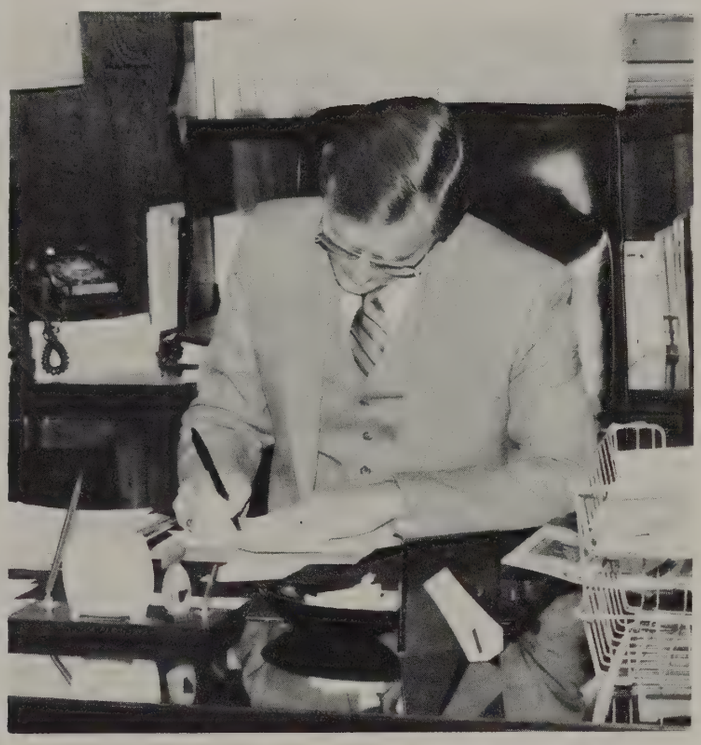
PRESIDENT AND FOUNDER MR. J. FRANK BRUCE



Mr. J. Frank Bruce was born in the small town of Eatonton, GA. Saved at 17, Mr. Bruce went to Bob Jones University and graduated with a B.A. He came to Nashville in 1964 and by 1969, Pioneer Christian Academy was established with a total enrollment of 36. Since then, the school's enrollment has risen to approximately 500 students. To those of us who know Mr. Bruce, he is a kind, caring man who loves the Lord and seeks His will. The student body and faculty of Pioneer are fortunate to have Mr. Bruce as their leader. He is widely respected by students, faculty, and staff as an outstanding administrator, teacher, speaker, and counselor.

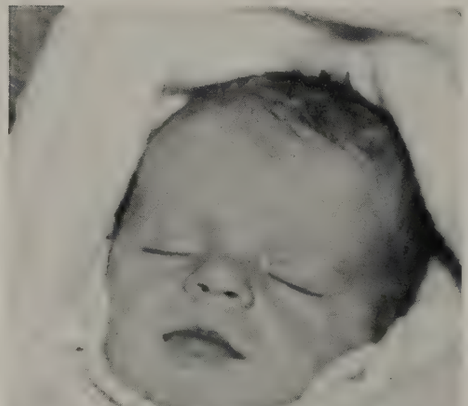
WHEN WE WERE VERY LITTLE



We were little once and loved to play,
But now hard work has come our way.
To study and learn — the load we lift
And face the struggle — it is God's gift.

The days are evil, but who's to blame
It's we if idle, oh what a shame.
Speak up and be counted for truth and right
And in God's name we join the fight.

Though the wrong be deep and the day be long
And the battle be hard and the fight go on.
We cannot faint for the promise is given
To the soldier of Christ, a crown in Heaven.

PIONEER CHRISTIAN ACADEMY HYMN

Thou the wise and matchless Saviour
The Sustainer of all things
Guide our search for truth and wisdom
At Thy feet our knowledge bring.

May we build our lives on wisdom
That can come from only Thee
On the rock of Holy Scriptures
Thus our fountainhead shall be.

Oh the measureless shores of labor
Oh the depth uncharted seas
And they call to greater missions
From this world's delusive ease.

But we need Thy Word to guide us
In the life we now pursue
And the presence of Thy power
To enable all we do.

May Thy Spirit bind us closer
Lord to Thee in truth to know
Thou the source of all our wisdom
Light and grace through us shall show.

From this campus we are parting
For the future no one knows
From these hallowed halls we're going
Jesus Christ each step He shows.

We will follow where He leads us
With our lives His will fulfill
With our talents all surrendered
Yielded hearts His life reveal.

Chorus: Teach us Lord to be submissive
And Thy Truth always obey
Here we pledge our heart's devotion
For a debt we cannot pay.

Dedicated teachers, supportive parents, and a tremendous attitude among the student body have combined to make this one of the greatest years in the history of the middle school. As we watch our young people grow in God's grace, we are reminded that this process is only possible through the enabling power of His Holy Spirit. We are the earthly vessels, but only God can give the increase. It is, therefore, with great joy that we thank and praise Him for the countless blessings He has bestowed upon us and our students this year.

FINE ARTS

Mr. Darnell, Mrs. Darnell, Mrs. Shiflett

The Lord has richly blessed Pioneer's music program in the past years, and this was certainly no exception. Under the fine leadership of Mrs. Pat Darnell and Mrs. Debora Shiflett, Pioneer has had one of its most exciting years yet.

Pioneer has several choirs, ensembles and soloists which compete in various competitions including the TACS district competition held here each year and in state competition at Franklin Road in Murfreesboro. The Varsity Singers had the opportunity to go on tour to various churches in New Jersey.

Glorifying the Lord comes first in the music program here at Pioneer, and we thank Him for His continued blessing on us.

Mark Allen

When looking at the Buffaloes win/lose column for the 1984 season, it is a disappointing sight to any loyal Pioneer fan, but despite the overall record, there were some individual accomplishments that really stand out, especially among our Seniors.

Mark Allen started at quarterback for the past two seasons. During this time, he completed 56% of his passes (for 4 touchdowns) and was the offensive leader his senior year. Halfway through this past season, however, he was moved to tailback. Here he proved that he could not only pass and run but was an excellent blocker as well.

Bobby Yeargin, the defensive captain for the '84 season, held down one of the linebacker spots. His excellence in pursuit earned him the honor of being the leading tackler on the team. On the offense, Bobby was a solid blocker at pulling guard.

Bob Slate, in his first year out, started at defensive end. Bob also played offensive tackle in several games for Pioneer.

Tim Tawater gave depth to the Pioneer team by being able to play several different positions in his first year out for football. As an exceptional lineman on both offense and defense, his presence will be greatly missing by the Buffaloes next season.

JUNIOR VARSITY BASKETBALL

Proverbs 13:19 "The desire accomplished is sweet to the soul."

The Junior Varsity Basketball team tipped-off its 1983-84 schedule with a good showing in the Pleasant View Christian Invitational Tournament. After whipping Lighthouse Christian and the host team Pleasant View Christian in the opening rounds, PCA fell prey to the pre-tournament favorites, Tabernacle Christian. Not only did Pioneer place second in the tournament, but special honors went out to Marty Stone and Wayne Woods who made the all tournament team.

Although the team struggled through some early losses, with the assistance of Coach Bruce, Coach Larkins' team rolled off its fourth straight winning season. One of the highlights of the year was beating previously undefeated Woodbine Christian on their home floor, 42-29.

Losing all five starters from last year's team, the Junior Buffalos rebuilt by using a methodical offense and a tenacious pressure defense which vaulted them back into the conference race. Each game was characterized by intensity and an overwhelming desire to win.

HOMECOMING WEEK

Wow! What a week!! Putting this year's Homecoming together was not only a major feat but also an exciting challenge for everyone. Here are a few happenings that went on during this week: THURSDAY began the traditional slave day which consisted of selling off our sturdy, as well as, good-natured football players. Each became, the highest bidder's slave for a day. The day also launched the selling of spirit chain links. Each link sold for ten cents. On MONDAY of Homecoming week we challenged our football ball players to "Hush day". None of our players were permitted to speak to anyone for the whole day and unfortunately all but three finally "spoke up."

TUESDAY set off red and white day in which everyone participated by wearing read and white clothes. WEDNESDAY finally concluded our week. The winner of the sign contest was the Sophomore class and the end of the school day was concluded with our famous powder puff game. Finally, we kicked off the evenign with a bonfire, arousing the spirits of our players and fans for a spectacular Homecoming!

BIBLE CONFERENCE

Bible Conference this year has been an open door. The messages preached were strong enough to soften the hardest of hearts. Many important decisions were made, and many souls were saved.

Our special speakers brought a change that each student enjoyed. Billy Crockett, with his testimony lifted the hearts of many and brought tears to the eyes of those who listened. Many were converted by this man alone, and we thank him for his messages.

Mr. Dennis Potts and the stories of his mission in the Phillipines brought a realization to many of us the likeness of our sin to theirs, and the desperate need of dedication. Many decisions were made as to the dedication of lives to the mission field. We pray that these decisions are followed through and that these souls all over the world are led to Christ.

Mr. Al Bradshaw was one to capture a crowd's attention. He made us laugh and, in turn, made us listen. His messages were outstanding and we will remember him in the years to follow.

The music of the Gibbs brought the realization to many that there is a large variety of good, acceptable music to which Christians may listen. Their music was outstanding, and we are very thankful for their program. We hope to hear them again in future Bible Conferences or Chapels.

The messages from faculty members (Mr. Bruce, Mr. Reed, and Mr. Beydler) were also well received. The music of faculty quartets, trios, and the Senior High Choir were as pleasant as ever. We appreciate the time spent in preparing for these special meetings and look forward to next year's Bible Conference.

A MESSAGE FROM THE EDITOR . . .

Stacy Keltner — Editor

It has been a long and busy year, but a good one. As the year has passed, the annual staff has grown.

We've had a great time putting the "Montage '84" together, and hope that you find it enjoyable to flip through the pages. We have added more candids and reading material so that each time you open your annual, you find something new.

Though it has been fun to put this book together, at times, it has been difficult. We wish to thank the following people for their understanding when: deadlines were not met, pictures were desperately in need of being taken, or just when a helping hand was needed.

Thank You:

Mr. Brent Bruce, Mr. Griffith Jones, Mr. Harold McGehee, Allison Clowser, Mrs. Frank Ebel, Mrs. Robert Christofferson, Mr. Bud Braden, and Jostens American Yearbook Co.

We also would like to thank each one in the student body and administration for making this year's annual a big success.

Sincerely

Stacy C. Keltner

"Cynthia," ~~I write~~ I write it like I say it" (Ha! Ha!)
Well I don't know what happen to us. I thought we had something great + it was while it lasted. I'm like you I won't discuss our encounters but I will always remember them. I hope you have good ~~fuck~~ luck with the new (Clay). I'm having pretty good luck with the women. I've met some old flames and I'm starting some new ones with girls at Wendy's. I hope you have a good summer. I'll keep in touch and I hope your softball team does good. Our baseball team is 3-2 and we are pretty hot right now. I talk to some guys from Brentwood H.S. and the Baseball + football Coaches are interested in me I'm thinking about going there next year. Keep me informed about Clay and Maggie
I'll see you this summer sometime. Love, Danny C.

Remember I love you

Cynthia,
I'm sure glad you and Clay are working it out again. That's the way I think it should be. You may have to kick his tail alot, but he will probably deserve it. Maybe you, Steph & me can go get schorched at the Wave Pool. Keep in Touch!

Dear Cynthia,

Can you believe it? We're finally Juniors! We've really had alot of fun this year especially on the ball trips! I really am glad we got to become alot closer. You really have meant alot to me this year. I appreciate all your help and support along with encouragement especially concerning Jeff Moore. This summer we'll have to get together for sure especially since we're driving. Well, thanks again for everything you've done for me. You really are very special to me! See ya this summer! Call me!

Dear Cynthia,

Well - I have been a soap opera this year. Here is the list of loves that you entranced by your brains and beauty: Aug. - Nov. - Clay Boone; Dec. - Scott Parker (but that was just two ships passing in the night) Jan. - Apr. Manny Crockett and here we start the cycle again with May - Clay Boone again (and who says life isn't good the 2nd time around!) Oh! I almost forgot your passionate crush on Mr. Murphy! Ha! Ha! Just kidding. I've seen you at my house as early as 9:00, now that's dedication!! I mean, we even got our permits together (that makes the accident rate increase 20% just thinking about us driving) Well, I can't think of anything else right now so I'll have to continue it later.

Until then,

Stephanie
